

ELMIRA WATER BOARD

Elmira New York

Bids on estimated 2012 requirements for:

#2 AND #3 COARSE AND AGGREGATE STONE

will be received by the Elmira Water Board at its office at 261 West Water Street, Elmira, New York until 10:00 A.M. on Wednesday, December 07, 2011. At this time it will be publicly opened and read.

The amounts below are estimates only and the quantities actually ordered will be as needed to meet demands during 2012.

Bids must be in sealed envelopes and the quoted material designated on the outside of the envelope. Standard Non-Collusive Bidding Certificate, Waiver of Immunity and Certification of Bidder regarding Equal Employment Opportunity must be signed and submitted with the bid.

The Board reserves the right to reject any or all bids and to re-advertise for new bids at its discretion.

Amount - Approximately 150 tons # 2 Aggregate Stone
Approximately 75 tons #3 Aggregate Stone

Specifications - The #2 and #3 Aggregate Stone shall meet the following specifications :

1. The specifications are the same as those provided by the current New York State Department of Transportation Standard Specifications Manual of January 2, 1990, Section 703-02, Page 7-19, Item Coarse Aggregate.

Delivery - #2 and #3 Coarse Aggregate Stone is to be delivered to the Elmira Water Board Maintenance Shop yard at 760 Bonview Street, Elmira, New York. Submitted bid price and invoicing (if awarded) must be per ton with weigh slip from certified scale delivered to the Elmira Water Board Maintenance Shop Yard.

Bidding - These two items are to be quoted separately, and bids will be awarded separately. Bids will be awarded separately on the low bid price, based on the estimated amount needed above.
